

Help Us Create a Safer U.S. 97 for Everyone in Wickiup Junction.

A Plan for a Better U.S. 97

U.S. 97 is central to many activities, businesses and destinations in the Wickiup Junction community. All that activity can also make it challenging for side street traffic and for those walking and biking to cross the highway safely. ODOT is working in partnership with the City of La Pine and Deschutes County to identify safety and mobility improvements for all modes of transportation along U.S. 97.

OPEN HOUSE

Please join us at an open house meeting:

Wednesday, January 8, 2020
6–7:30 p.m.

Rosland Elementary School Gym
52350 Yaeger Way
La Pine, OR 97739

Discuss the project with staff and provide feedback on project goals and transportation needs. Now is the time to tell us if something is missing!
