6. Continued Discussion on the Charter

City Manager Allen discussed the pros and cons of a five member versus a seven member Council. He said the City could start with five members and as the City grows, increase it to seven Councilors. After discussion the Committee had consensus to have a five member Council. The Committee also has consensus for the Mayor only to vote in a tie situation. In addition, after discussion among the different Committee members, the majority of the Committee voted to have the Mayor hold a two year term instead of a four year term.

The Committee decided to leave Section 12 in the Model Charter as written. This section concerned compelling Councilors to attend a meeting. The Committee was split on the decision to allow a non resident to serve on the City Council. After discussion it was decided that this matter will be discussed and evaluated further at a Public Hearing order to get more public input. The Committee determined the following criteria be used if a non resident is allowed to be on the City Council:

- Position requires person to live no further than seven miles from the City's boundaries
- Position will be for a two year term
- Position cannot run for Mayor
- Position can be filled by either a resident or nonresident

7. Selection of Public Hearing Date

The Committee scheduled a Public Hearing on Tuesday, November 9th starting at 6 pm. Location will be determined.

8. Public Comments

Vicky Jackson, 17346 Mink Ct., stated that the business owners in the City limits of La Pine pay 47% of the property taxes. Paul Dunger, La Pine area resident, voiced his opinion that while he is paying City taxes, since he is not a resident, he does not have representation on the City Council.
