OLD BUSINES:

- 1. Ongoing Projects:
 - a. Transit Center
 - b. Water/Wastewater Expansion
 - c. Hwy 97 Pathway

- 1. La Pine Industrial Park Geoff Wullschlager, City Manager gave an update on the La Industrial Park. He noted that the selling price \$1.75 per sq ft is the lowest in the metro Central Oregon region and requested discussions on pricing moving forward. There is currently an active applicant for one of the parcels. Commissioner DeBone reiterated the need for each potential applicant to provide a building and jobs. Kristie Bollinger presented a handout of the updated sales data for the industrial park and offered to email the Council the information.
- 2. Newberry Neighborhood Kristie Bollinger gave an update on the Newberry Neighborhood. The two remaining parcels are Quadrant 2A and 2D. There is currently an RFP in process and Deschutes County Community Development will contract with two long range planners to complete the planning process. There will be a follow up meeting on November 10th to discuss specifics of the RFP. Master planning of the 325-acre parcel (Neighborhoods 3 & 4) will begin in early 2022.
- 3. La Pine/Fire/Ambulance Geoff Wullschlager gave an update on the current situation between La Pine Fire/Ambulance and the local clinics. There is a potential for an additional ambulance provider to assist in the La Pine Community and the County Commissioners are currently reviewing a potential contract with the new service provider CMT Transport. The Commissioners will vote on the contract at their November 3rd County Commissioners meeting.
- **4. Deschutes County Natural Hazards Mitigation Plan** Sergeant Nathan Garibay presented a PowerPoint of the Deschutes County Natural Hazards Mitigation Plan to the council.
- 5. Transportation Update Geoff Wullschlager gave an update on the Wickiup Refinement Plan which involves a future bike/pedestrian path that will connect S. La Pine to N. La Pine. It will begin at Wickiup Junction and end at the traffic light in La Pine. The approximately 2.5-mile path will be paid for by a grant and the cost of the lighting which is approximately 110k will be not paid for by the Oregon Department of Transportation. He also reported that Representative Vikki Breese-Iverson was instrumental in assisting the City of La Pine in obtaining a grant in the amount of 380k which will provide improvements to the East side of Hwy 97. Cody Smith, Deschutes County Engineer also provided an update on the 21 miles of County roads within the city limits of La Pine. The goal of Deschutes County is to eventually transition the ownership and maintenance of those roads to the City of La Pine. Currently Deschutes County provides road construction, road improvement, and pavement preservation services and the City of La Pine provides plowing in the winter months. Deschutes County plans to replace approximately 20 pedestrian ramps in 2022 as part of their ADA transition plan. City Manager Wullschlager also gave an update on the Transit Center and the RFP which will be out to bid at a future date.
- 6. Affordable Housing/Area Houselessness Geoff Wullschlager gave an update to the council regarding the current houselessness situation in La Pine. Most of the citizen concerns are regarding people living on BLM land which is not under the jurisdiction of Deschutes County or the City of La Pine. Community comments are overwhelmingly opposed to a sponsored, organized camp. Commissioner De Bone noted that he was currently in discussions with Habitat for Humanity and private developers who are being encouraged to design and build low-income multi-unit housing in our area. The City of La Pine would like to request that the County Commissioners consider a .5 FTE Housing Coordinator position similar to what is being implemented in Sisters. This position would be dedicated to houselessness in Deschutes County.

At 7:24pm the Joint Work Session was concluded.

4. PUBLIC COMMENTS:

Three (3) minutes per person; when asked to the podium, please state your name and whether you live within La Pine city limits.

None.

5. ADDED AGENDA ITEMS:

Any matters added to the agenda at this time will be discussed during the "Other Matters" portion of this Agenda or such time selected by the City Council.

6. CONSENT AGENDA:

Information concerning the matters listed within the Consent Agenda has been distributed to each member of the City Council for reading and study, is routine, and will be enacted or approved by one motion of the City Council without separate discussion. If separate discussion is desired concerning a

matter listed within the Consent Agenda, that matter may be removed from the Consent Agenda and placed on the regular agenda by request of any member of the City Council.

- 1. 10.13.2021 Regular City Council Meeting Minutes
- 2. September 2021 Budget to Actual Financials

Motion by Councilor Van Damme to approve the Consent Agenda as presented which includes the September 2021 Budget to Actual Financials. The motion was seconded by Councilor Ignazzitto.

Voting Yea: Councilor Scott, Councilor Ignazzitto, Councilor Van Damme, Councilor Shields.

Nay: None

7. OLD BUSINESS:

- 1. **ODOT Transit Center:** Mr. Wullschlager reiterated the conversation that took place during the workshop.
- 2. Water/Wastewater Expansion: Troy Baker of Anderson Perry & Associates gave an update on the Cagle Neighborhood. Progress to date includes a complete design. Plans are complete and submitted to all agencies for review and approval, bidding and contract documents have been approved. DEQ documents are pending approval. All required permits and easements have been obtained. Revenue bond documents have been prepared by legal counsel and are under review. Remaining items include, legal counsel review, bond council review, and the city's legal council must certify all easements. DEQ has to re view and Bid opening will take place in February of 2022. Awarding of the project in March of 2022 will follow. 700 calendar days to complete project, estimated to be March 224 been estimated by Mr. Baker. Material procurement and limited staffing resources could delay the project which has been common as of the current period of report.
- 3. Hwy 97 Pathway: No additional update.

8. NEW BUSINESS:

- 1. NHMP- Adoption
 - a. Deschutes County Multi-Jurisdictional Natural Hazards Mitigation Plan La Pine
 Addendum
- b. Resolution 2021-08- A Resolution Adopting the Deschutes County Multi-Jurisdictional Natural Hazards Mitigation Plan

There was a motion made by Councilor Ignazzitto to Adopt Resolution 2021-08 A Resolution Adopting the Deschutes County Multijurisdictional Natural Hazards Mitigation Plan. The Motion was seconded by Councilor Scott.

Voting Yay: Councilor Scott, Councilor Shields, Councilor Van Damme, Councilor Ignazzitto

Voting Nay: None

9. PUBLIC COMMENTS:

Three (3) minutes per person; when asked to the podium, please state your name and whether you live within La Pine city limits.

None.

10. STAFF COMMENTS:

- **1. Planners Report** Alexa Repko, City Planner gave an update on the approved application at 52430 Railroad.
- **2. Public Works Director Report** Jake Obrist, Public Works Director informed the Council that two staff members recently traveled to Arkansas to facilitate delivery of the new pumper truck. Public Works staff are preparing for winter.
- **3. City Manager Report** Reviewed items contained within his report. There was consensus among the council to authorize the City Manager to review the matrix and the \$1.75 sq ft price on the industrial park pricing.

- 13. Meeting adjourned at 8:25pm

STAFF REPORT

Meeting	ate:	November 15, 2021			
TO:		La Pine City Council			
FROM:		Geoff Wullschlager, City	/Manager		
SUBJECT:		DCSO – Enhanced L.E. D	istrict		
[]		Resolution	[]	Ordinance	
[]		No Action – Report Only	[]	Public Hearing	
[X	[]	Formal Motion	[.]	Other/Direction:	

Council:

As you are all aware, the City of La Pine, and the greater La Pine Community have experienced a recent increase in property crimes. Of direct concern to the City of La Pine are the rise in thefts in the La Pine Industrial Park. This resulted in a local summit in September, held between business owners, the La Pine County Sheriff's Office, local interested parties, and Mayor Richer and City Manager Wullschlager. The result of this meeting was a call to local authorities to increase the presence of law enforcement and affiliated patrol activated in the Industrial Park.

Beyond these issues, which have been ongoing for several years, the City of La Pine has had increases in property crimes and other criminal behaviors throughout the community. As a product of an increasing City and regional population, the City of La Pine is now experiencing a need for increased law enforcement.

The topic was discussed during the annual budget hearing in June, and at that time City Administration outlined the options to the City Council for consideration. They were as follows:

- 1. Keep the current format with patrol provided by Deschutes County Sheriff's Office
- 2. Consider the formation of an independent Police Department
- 3. Contract with Deschutes County Sheriff's Office for an Enhanced Sheriff's Patrol District.

As discussed during the budget hearing, the options outside of remaining neutral on the issue carry their own considerations. The establishment of a Police Department would be extremely costly and carry with it the burden of large capital investment, in addition to the expansion of employee benefits and salaries for new staff. IT would also require a slow start up time to establish certification and compliance with state law and rules.

Conversely, the establishment of an Enhanced Patrol District would allow the city to tailor its needs with built in resource procurement flexibility. It would also a lot the city to forgo any certification processes, would alleviate capital overhead by not requiring large capital purchases, and provide the city indemnification as enhanced services would be provided by contact. I would also save the city the large investment in human capital and benefits associated with law enforcement personnel.

As such, please find attached a proposal spreadsheet that outlines a phased approach as suggested by the Deschutes County Sheriff's Office. The City can choose to follow this model and can flex in either direction based upon its needs and finances. The spreadsheet also outlines a current inventory of available resources, at hand, that can be unitized immediately to employ the enhancement program. It should be noted that there are also conservative estimates on property tax increases for the coming year that can be used as a baseline to forecast the ongoing expected increases in revenue. It is important to note that these increases do not account for any increases in utility fees, user fees, or other revenues tied to population and/or development. As stated, the forecast is conservative in nature to provide a minimum expectation.

The Deschutes County Sheriff's office proposes that all material costs will be borne by the Sheriff's Department and will not be the responsibility of the City. They will also carry all costs associated with their staff development.

After discussion on the models, City Administration asks the Council to consider a motion supporting one of the proposed models going forward.

	[X]	Formal	Motion	[.]	Other/Direction:

Council:

As discussed in your last meeting with the Board of County Commissioners (BOCC), City Administration would like to make a formal request of the BOCC for ARPA funding. This request would facilitate the placement of a housing outreach and case management coordinator in a .5FTE roll with the City of La Pine. The coordinator would work in concert with their .5FTE roll in the City of Sisters, equating to a full time dedicated consultant, employed through the County, for both communities.

City Administration was approached by the City of Sisters to consider this request following several Central Oregon leadership meetings in which it became apparent that the issued faced by La Pine were not only intrinsically separate from urban Deschutes County, but not being focused upon in the larger discussion.

As the City of La Pine, and the City of Sisters have inherently similar demographics and issues with rural houselessness, particularly in and upon surrounding federal lands, it was concluded that a rural incorporated partnership would serve both communities best in addressing our unique circumstances.

Attached you will find a draft letter, in the name of Mayor Richer, to submit to the BOCC for funding consideration. If awarded, we will move forward with the establishment of the coordinator position in concert with Deschutes County and the City of Sisters to facilitate discussion, research, and data driven solutions to our houselessness and affordable housing concerns.

City Administration is asking the Council to make and pass a motion in support of the submission of this communication to the BOCC.

16345 Sixth Street — PO Box 2460 La Pine, Oregon 97739 TEL (541) 536-1432 — FAX (541) 536-1462 www.lapineoregon.gov

Deschutes County PO Box 6005 Attn: BoCC Bend, OR 97708-6005

Re: La Pine ARPA Request

Dear County Commissioners,

As discussed at the joint meeting between the La Pine City Council and Deschutes County Board of Commissioner on Wednesday, October 27th, there is a need in greater La Pine to further support those suffering from houselessness and struggling to find affordable hosing. After much discussion over the last year between Mayor Richer and Commissioner DeBone, and amongst community interests, the City Council of La Pine is requesting an investment in meeting this need from the ARPA funds distributed to the County.

The City's specific request is the establishment of a new position in the Deschutes County Health Services Department dedicated to rural houseless outreach and case management. This role will be critical coordinating existing resources, collecting and communicating data, and evaluating needs while informing future decision making.

As La Pine's houselessness and housing availability concerns are a matter of the rural nature of the community, we are asking for a .5 FTE allocation to La Pine, to work in concert with the .5 FTE request by the City of Sisters. We have coordinated with the City of Sisters and discovered through our considerations, that our two communities share a common problem that is separate from the matters being addresses by the urban centers of Deschutes County. It is our intention that as a coalition, the two rural incorporated communities of the County can address our unique set of circumstances together. The anticipated total compensation for this position is \$300,000 over three years.

Overall, this requests to support La Pine with ARPA funds is an investment in our health and safety, local economy, and community livability. This is an essential time to make these investments for both our present and future. Please let us know if you have any questions.

Sincerely,

Dan Richer Mayor City of La Pine

STAFF REPORT

Meeting Da	ate:	November 15, 2021		
TO:		La Pine City Council		
FROM:		Geoff Wullschlager, City N	√lanager	
SUBJECT:		Resolution 2021-08 – Am	ending the Cu	rrent La Pine Salary Schedule.
[X]		Resolution	[]	Ordinance
[]		No Action – Report Only	[]	Public Hearing
[X]		Formal Motion	[.]	Other/Direction:

Council:

The city consulted with an agency partner in the Spring of 2020 to compile an updated salary and pay schedule for all positions current and forecasted to be held with the city. This report took into account market rate analysis in the establishment of the submitted salary schedule.

Due to inflationary increases experienced during 2021, in addition to the ongoing labor crisis that is being experienced in Deschutes County, throughout Oregon, and nationwide, it is prudent that the city considers an adjustment of a 3% inflationary increase to each position and the associated steps contained within the initial report. This will further support employee satisfaction and retention within the city's current employment pool.

As the smallest incorporated community within Deschutes County, La Pine has generally trailed other municipalities and public agencies in rate of pay, and now must maintain its competitive advantage of offering market rate compensation. Please consider the following resolution and addendum for adoption and incorporation into the initial study and report.

RESOLUTION NO. 2021-08

A RESOLUTION AMMENDING THE LA PINE CLASSIFICATION AND COMPENSATION STUDY EXECUTIVE REPORT OF 2020

WHEREAS, the City of La Pine contracted for, and received a classification and compensation analysis for its employment positions in 2020; and

WHEREAS, the City of La Pine is counseled by the analysis to undertake consideration of benefit enhancements in a period of "about" 3-5 years from the onset of the analysis; and

WHEREAS, the City of La Pine is counseled to conduct a market update to ensure the overall schedule continues to align with the external market average; and

Whereas, the City of La Pine finds the current external market rate average of the Central Oregon region and Deschutes County has outpaced the forecasted benefits analysis contained within the Classification and Compensation Study Executive Report of 2020; and

WHEREAS, the La Pine City Council has determined that an increase of 3% to all steps within the Classification and Compensation Study Executive Report of 2020 maintains the City's competitive standing with other public sector employers and agencies of the Central Oregon region and Deschutes County; and

WHEREAS, the La Pine City Council believes that it is necessary to implement these amendments to the Classification and Compensation Study Executive Report of 2020 immediately;

NOW, THEREFORE, BE IT RESOLVED that the La Pine City Council resolves as follows:

- 1. Adjustments as forementioned are instituted for each employment classification and position as contained within the La Pine Classification and Compensation Study Executive Report of 2020.
- 2. Resolution 2021-08 and the attached "Addendum A" will be incorporated as elements of the Classification and Compensation Study Executive Report of 2020.

APPROVED and ADOPTED by the La Pine City Council on November 10, 2021.

	Daniel Richer, Mayor
