Other Matters:

00:06:30

City Manager Rick Allen stated that regarding the expiration of Mike Jensen's term in December 31, 2011, it would probably just be a matter of Mr. Jensen requesting another term from the City Council. Mike Jensen was suggested for Chairperson and he was nominated. Lupita Lewis nominated herself for the Chairperson. After a paper vote was taken, Mike Jensen was elected Chairperson of the TRT Committee. It was decided to wait until after January 2011 to nominate a Vice Chairperson.

There was also a discussion about going over the State statutes at a meeting sometime this year. The Committee next discussed the 2% set aside of TRT revenue funds. City Manager Allen said that the money can only be spent on tourism activities that missed the deadline for applying for TRT funds. Chair Uecker stated that he believes that the 2% set aside should be given to the Visitor Center to disperse as needed to last minute applicants. City Manager Allen stated that with a City Manager now at City Hall, the application process could be streamlined for emergency use of the 2% set aside. He also suggested that there was nothing wrong with the fund building for awhile to offset last minute cost changes for an activity. City Manager Allen recommended the monies stay with the City but streamlining the application process. He also recommended the TRT funds, including the set aside, be kept in a separate fund and not be put into the General Fund.

00:33:00

Linda Johnston discussed the TRT funds from the greater La Pine area (East Lake, Paulina Lake, Crane Prairie, Wickiup Reservoir, Twin Lakes, RV Parks, etc.) that go directly to the County and COVA (Central Oregon Visitor Association), and that the City of La Pine does not receive any of this revenue. It was decided that the committee would work on this item at a future meeting.

00:39:00

There was also a brief discussion on raising the TRT tax. City Manager Allen suggested if the City increases the TRT tax it should be tied to something to justify the increase. He suggested an Urban Renewal District that would ultimately help La Pine. City Manager Allen said that there needed to be revenue to get the District up and running. The Committee liked the idea of an Urban Renewal District being formed in the future.

6. Report on Meeting with City Attorney – Various Issues

Art Uecker, Committee Chair

Chair Uecker stated that he had a conversation with City Attorney Green regarding the committee seeking input from him by first going through City Hall as stated in the TRT Committee Resolution. He said the decision was to leave that statement in the resolution because of the need to reduce legal expenses.

Ann Gawith left the meeting at 6:20 pm due to a prior commitment.

00:49:38

7. Review of First Draft Recommendation to the City Council Presented at the June 9, 2010 City Council Meeting

Chair Uecker reported that the draft recommendation was presented to the City Council and it was adopted 100% based on their recommendation.

8. General Discussion

None

9. Additional Comments from Committee Members

Linda Johnston recognized the hard and good work that Chair Uecker did during his term as Chair of the TRT committee.

It was announced that the revised TRT Resolution 2010-08 (that created the committee) was available on the City of La Pine's website.

Each committee member was requested to e-mail Chair Uecker with available dates in September to have another TRT Committee meeting.
