NEW BUSINESS**1. Administrative Land Use Application Update (Discussion Only)**

Mr. Bybee presented to the Commission the updates of all current and complete land use applications. He stated that there is an incomplete application for La Pine Reality, which is relocating to a lot on Huntington Road. Horitech has an application that was reviewed by the contact planner. The decision will be mailed out shortly. Newberry Storage and Legend Cider currently have incomplete applications. There are several other current applications that the Contract planner is reviewing. The City recently received a final plat application from Hallie Development. There was discussion among the Commission about the size and plans for the subdivision. It was noted that this is a Type 1 application which does not come under Commission review.

2. La Pine 2045 Vision Engagement Process & Planning

Mr. Bybee presented the Commission with "La Pine 2045" the Vision Engagement Process and Planning updates from the Joint Commission/Council session on July 12th, 2023. He informed the Commission that he updated the list of stakeholders from all the suggestions that were presented during the meeting. The Commission reviewed the La Pine 2045 Vision engagement and approved the forwarding thereof to the City Council for final review and approval.

There was a discussion about the current GIS project, Mr. Wullschlager discussed our current process and informed that Commission that we are still in the beginning stages.
