Water System and Wastewater System Improvement Engineering Services

Notice of Intent to Award

Publish Date: December 5, 2017

The evaluation committee has scored the four proposals received for Water System and Wastewater System Improvement Engineering Services. In accordance with the request for proposal documents, the committee has forwarded to the City Council a recommendation for award. No interviews will be held.

The City intends to award this work to **Anderson Perry & Associates, Inc.**, pending successful contract negotiations, at the January 24th, 2017 City Council Meeting, or sooner.

Protests of this Notice of Intent to Award must be filed within seven calendar days. If you do not protest the Notice of Intent to Award, you will not be able to protest the Award.

	Proposing Firm	Score
1	Anderson Perry & Associates, Inc.	366
2	Century West Engineering Corporation	347
3	Parametrix, Inc.	343
4	PACE Engineers, Inc.	321

Thank you for your proposals.
