

RESOLUTION 2015-01

A RESOLUTION SUPPORTING AND AUTHORIZING THE CITY OF LA PINE TO APPLY FOR THE OREGON DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT TRANSPORTATION AND GROWTH MANAGEMENT PROGRAM

The La Pine City Council makes the following findings:

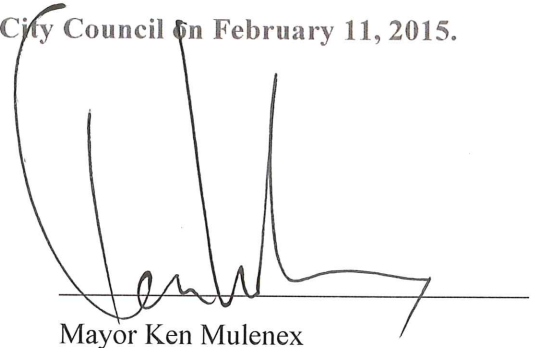

WHEREAS, the City of La Pine would like to utilize the TGM Program Workshop to help with the Streetscapes, Pedestrian Safety and a Pedestrian Friendly Design planning process that will identify, plan and building a blueprint for future funding, design and zoning requirements what will support the development of our downtown; and

WHEREAS Oregon Department of Land Conservation and Development administers the Transportation and Growth Management Program (TMG) for such projects; and

WHEREAS, Council support for the Streetscapes, Pedestrian Safety and a Pedestrian Friendly Design in the form of a Resolution is required for a complete request.

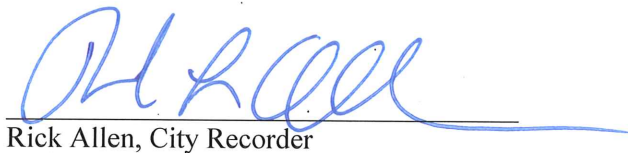

NOW THEREFORE, based on the foregoing findings, the La Pine City Council resolves that the City Manager is hereby authorized to and shall complete and file all necessary forms with Oregon Department of Land Conservation and Development to apply for Transportation and Growth Management Program for the Streetscapes, Pedestrian Safety and a Pedestrian Friendly Design Workshop:

APPROVED, ADOPTED, AND MADE EFFECTIVE by the City Council on February 11, 2015.
